A home to live in with space and freedom in Città Giardino.

There are homes where every room immediately finds its purpose. On Via dei Tigli, in the Città Giardino neighborhood, we offer for sale a 126 sq m apartment on the fourth floor, designed for those who want spacious, bright, and well-arranged spaces.

The living room offers just the right space to welcome family and friends, while the eat-in kitchen allows you to truly enjoy the daily life of the house, without sacrificing practicality and conviviality.

The sleeping area includes three bedrooms, which can be arranged according to your needs: bedrooms, a study, a guest room, or a space dedicated to your interests. The two bathrooms make managing the home easier, especially for a family.

The two balconies add space to the rooms and create a direct connection with the outside.

The apartment features double-glazed PVC windows, ensuring independent management and a comfortable stay.

Completing the property is a ground-floor garage, a valuable addition for convenient parking or additional storage for bicycles, equipment, and everyday items. Its neighborhood location also puts services, schools, shops, transportation options, and recreational facilities within easy reach.

A home suitable for those seeking generous space, versatile spaces, and everything needed to organize their life with greater comfort.
